I'll call you later. Is
Constantine using the 55
Penthouse this weekend?
That's what I heard!

I've heard nothing of it..
Where did you hear this?

Someone I know ran into
him getting on the plane
(that he stole from us)
headed to Vegas for the
weekend with his girl
PLUS several other
people.

I'll look into it

He has had a friends name in 55 several times in the past when I had corporate renters looking. They were always huge fight weekends, so he fucked you/us...AGAIN!

If u know of a huge fight weekend, or any special event where it could potentially be used, let me know.. Without question, it will be kept open..

availability. What "additional" fight do I need? Not that interested. I'll wait until he's in jail & sort out the balance. Did you get the rental info for us for 2010 & 2011?

As long as he continues to bring some paying renters in to put money towards the mortgage, I'm not going to complain if he stays in the unit a couple times.. That being said, I told Sandra to inform me anytime someone is staying in the unit and I've

anytime someone is staying in the unit and I've heard nothing of this weekend, so I'll get to the bottom of it.. Also, I don't have the rental info now no.. I'll ask Sandra for it Monday..

Just so you know, he has no \$\$ in the unit, owes Mike Andretti ~500k that mike thinks he has in it & skims \$\$ off every rental. Oh btw, he misused over 1/2 of the GSF and tried to steal Eufora from us as soon as money was ready to be made.

Why does Mike Andretti believe he has 500k in the unit? I don't understand why no one will show me proof of their interest in the property.. Not Tommy, nor yourself.. This should really be cut and dry and this is another reason I have a lack of trust in everything with everyone.. .. Who's getting fucked on this!? I am Phil.. I am forced into a position that was not our agreement.. Im being forced into paying 30k

our agreement.. Im being forced into paying 30k every 3 months.. Whats your plan moving forward? I pay 250-400k over a few years raise hell, get nowhere and foreclose!? Great deal, who's really getting fucked here? If Tommy has zero money in this, then great, show me documentation that you have money invested and there is no issue.. I've got no more documentation from Tommy then I have from you.. You have no idea how happy I would

be for someone to show
me what should be simple
proof of their interest..

You know. Constantine
fucked us all. That's a
fact. The rest will sort
itself out over time. I can
tell you that you're not
seeing the big picture
each time you interact
with him... You are
helping him!!

I don't remember the last
time I spoke with Tommy
